160. Sultans of Kashmir, Nadir Shah (3rd reign, 1550-1551 AD), gold dinar, Kashmir mint, unpublished in G&G, 11.15g. Obv: Arabic legend Zarb Kashmir Nadir Shah Sultan Khallada Allah MulkaHu with a divider. Rev: Shahada in circular border, names and titles of rashidoon caliphs around.

The period between about 1530 and 1550 was chaotic in Kashmiri politics, with the rivalry between the local Chak dynasty, the Kashghari occupants and the Mughals under Humayun who later made the Kashghari noble Haidar Dughlat their vassal, all fighting for power. Nadir Shah was crowned three times in this turbulent period. Gold coins of his very short-lived third and final reign have hitherto not been known, until this coin surfaced. The fact that it belongs to his third reign is confirmed from its stylistic similarity with the coins struck in the name of Humayun by Haidar Dughlat, which immediately preceded this issue. A rare and important coin of an ephemeral reign.

Afsharid dynasty of Iran, Nadir Shah (AH 1148-1160, 1735-1747 AD), Silver Rupee, Dar-ul-Khilafat Shahjahanabad Mint, AH 1151, OBV: Sultan hasht bar salatin Jahan, Shahanshah Nadir Shah Sahib qiran, REV: Zar dar al khilafat Shahjahanabad khallad Allah mulkahu with date. (Album # 2744.3). Nader Shah invaded India in March 1739, he crushed the Mughal army at the Battle of Karnal and captured Delhi, then returned it to the Mughal emperor Muhammad Shah in AH 1152 in exchange for the imperial Peacock Throne, the Koh-i-Noor and Darya-ye Noor diamonds and the contents of the imperial treasury estimated around seven hundred million rupees. The plunder seized from India was so rich that Nader stopped taxation in Iran for a period of three years following his return. extremely fine

The depreciation of Nadir Shah's coins was also noticeable at Murshidabad, where the money market passed through considerable uncertainty. Bal Mukhtaram Atmaram, a prominent banker, on whom two bills for Rs 50,000 siccas were drawn in favour of the English, was unable to honour them. The council at Kasimbazar therefore wanted a supply of money from Calcutta, "Fatehchand having refused to lend any more unless they would take Nadir Shah's siccas, which pass at present only as Arcot". They were unable to despatch money or treasure to the Kasimbazar factory saying that they could not think it proper to take Shah Nadir's siccas at the rate which Fatehchand offered them, "the loss being so very considerable". The East India Company authority at Calcutta therefore directed the Kasimbazar Council "to take up what sums they might want elsewhere" to carry on their business until they could supply them with proper specie from Calcutta. Dacca seems not to have experienced much difficulty, since the merchants there accepted Madras rupees. By the end of May 1739, the tension caused in Bengal by Nadir Shah's invasion of Delhi seemed to have considerably subsided. Reports about the normal circulation of business began to flow from the imperial capital. It was reported at Murshidabad, before the end of May 1739, that the King of Persia had left Delhi and was gone to the Shalimar Gardens (Lahore) and from there he intended to march back to Persia. Upon this news the Government ordered Nadir's seals (dies) to be broken and new ones to be made in the old King's name.

TERMS & CONDITIONS

1. This is a public auction sale conducted by Jain Auction House, a licensed Auctioneer, issued by the Archaeology Survey of India, (hereinafter referred to as "Auctioneer"). Bidding in this Auction constitutes acceptance by you (the "Bidder") of all the Terms and conditions stated herein and shall be bound by them. Bidders may include consignors who may bid and purchase lots in the Auction consigned by the consignor or by other consignors. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer. Only Indian residents/NRIs having valid address in India can bid in our Auctions.
2. Lots may carry a Reserve. A Reserve is a confidential price or bid below which the Auctioneer will not sell an item or will re-purchase on behalf of the Consignor.
3. All lots are guaranteed genuine. Any claim of lack of authenticity must be made in writing by the original purchaser immediately after discovery that an item is not authentic, and upon making such a claim Jain Auction House shall, in its sole and absolute discretion, reserve the right to consult and rely upon any expert(s) or authority considered by him reliable in establishing the authenticity of that lot. If the lot is then proved not authentic then the original purchaser must immediately return the lot to Jain Auction House in the same condition as at the time of the auction with the original Invoice and payment proof. Lots that have been encapsulated ("slabbed")/Graded by a grading and/or authentication service may not be returned for any reason, including authenticity, if they have been removed from the encapsulation ("slab")/Grading.
4. Lots are sold as shown with all faults, imperfections and errors of description. Attribution, date, condition, and other descriptions are the opinion of the cataloguer, and no warranty is expressed or implied. Neither the auctioneer nor the seller shall give warranty to any buyer in respect of any lot, or be liable for any fault or error of description. All statements as to the items sold, whether made in catalogues, during the course of the auction, or otherwise are statements of opinion only, and are not and shall not be taken to be statements or representations of fact. The auctioneer reserves the right in forming his opinion, to consult and rely upon any expert or authority considered by him reliable. Notwithstanding the foregoing, if any lot should have been wrongly described in any material aspect, the buyer may reject the same, provided that he shall have given notice of intention to do so and shall have returned the same to the auctioneer within seven (7) days from the day of the Auction, Under no circumstances will the auctioneer be liable for any costs, expenses or damages incurred by the buyer in respect of any lot, including, but not limited to, loss of any kind of profit whatsoever. Estimates are intended as a guide only and not as a statement of opinion of value. Bidders are advised to scrutinize the lots they bid for.
5. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor, a Bidder by mail, telephone, internet, or any other participant in the Auction. Bids must be for an entire lot and each lot constitutes a separate sale. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. Auctioneer shall have the right in his or her sole and absolute discretion to accept or decline any bid, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot for Auction again. Auctioneer's decision on all bidding disputes shall be binding and final.
6. No "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid. Bids will not be accepted from persons under eighteen (18) years of age. The estimate figure below each lot are the auctioneer's estimate of an expected price only, bids which are less than the lower estimate will not be considered by the auctioneer.
7. Your bids will be treated as your maximum bid. Jain Auction House is not responsible for any errors in bidding. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the lot is announced sold, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake.
8. Jain Auction House reserve the right to postpone or cancel the auction without notice in its sole discretion. Any lot or lots may be withdrawn by the Auctioneer without notice prior to its being sold. No participant in the Auction shall have a right to claim any costs or damages, including consequential damages from the Auctioneer or the Consignor if a lot or lots is withdrawn from the auction, or due to delay or cancellation of the auction.
9. The Purchase price for each lot shall be the sum of hammer price plus 12.50% Buyers Premium plus applicable GST on Hammer plus 18% GST on Buyers Premium. 18% GST will be applicable on shipping & insurance charges and on late payment charges. There would be additional shipping charge on lots depending on weight, size and quantity. The total Invoice amount shall be paid in full within 7 days of the date of auction, prior to delivery of the lot. Any bidder who does not pay within the standard deadline of 7 working days, may be considered a negligent payer and may be subject to increased scrutiny and additional requirements in order to participate in future auctions.

10. Invoices are due and payable immediately upon receipt. Interest and late fees of 2.5% per month plus GST shall be payable on Invoices not settled within 7 working days of the auction date. The buyer shall ensure that all payment formalities are completed within 7 working days of the date of the auction. In case payment is not received within such period, this shall be treated as a breach of contract and Jain Auction House may take any steps, including the institution of legal proceedings, which are appropriate to enforce payment by the buyer.

11. Payment shall be made in Indian Rupee by cheque/D.D. drawn on Indian banks or by Net Banking. We require payment in full and reflecting in our bank account from any Buyer prior to delivery of lots. Title does not pass until lots are paid in full. All associated costs for the delivery of lots such as handling, shipping, and insurance will be added to the purchase price. Credit cards will be accepted. Payment by credit card will be charged a 2% additional service fee.

12. In the event if a Buyer fails to make full payment within 15 days of the auction date, Jain Auction House reserves the right to deem the sale incomplete and to re-sell the material by auction or privately, without notice to the Buyer, and the Buyer agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the Buyer's purchase price. Jain Auction House has a right to offset any sums due from a Buyer against any future consignment or purchase or monies or goods in possession of Jain Auction House.

13. Any person submitting bids on behalf of a company, corporation or any other person/persons agree to be personally liable for full payment of the invoice.

14. Auctioneer shall make maximum efforts to properly enter and execute bid received by E-mail, SMS or by other means. However, auctioneer shall not be liable for any errors for incorrectly entered or incorrectly executed bids. Bidders are responsible for their bids including any errors they may make in placing bids. Auctioneer reserve the right to refuse and reject unsigned bid sheet.

15. The auctioneer will not hold himself responsible for the safe custody of any lots left for more than seven (7) working days after the date of sale, and reserves the right to charge storage.

16. Bidders who have not paid their previous Invoices in full and also the bidders not known to us must provide us with deposit of at least twenty percent (25%) of their total bids for that Auction or such other amount as Jain Auction House may, in its sole and absolute discretion, require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

17. We reserve the right to refuse to allow a person or persons to attend the live floor bidding session of the Auction, and also reserve the right to reject disruptive or non-compliant bidders from the floor session, at the discretion of the auctioneer.
